In response to the Decision on Petition dated March 8, 2006, applicants renew their request for withdrawal of the holding of abandonment. The Decision asserts that "the USPTO records does not disclose that the actual amendment [of August 12, 2004] is of record." To the contrary, however, a review of the PAIR system clearly shows entries for December 19, 2005 entitled "Amendment - After Non-Final Rejection", "Applicant Arguments/Remarks Made in an Amendment" and "Claims". These entries represent a copy applicants' response of August 12, 2004. Applicants enclose yet another copy of said response herewith. Withdrawal of the holding of abandonment is in order.

Please charge any shortage in fees due in connection with the filing of this paper to Deposit Account No. 14.1437. Please credit any excess fees to such deposit account.
